

ARMORWELD® PRODUCT PART NUMBER UB & HWS Styles Silica Sleevings

PRODUCT DATA SHEET

UB & HWS SLEEVINGS

ARMORWELD® SLEEVING is a fantastic way to protect hydraulic, pneumatic hose line and tubing from molten metal and weld slag. Sleevings are available from 1/64" to 7" in diameter. Due to its excellent dielectric strength in the most severe environments, ARMORWELD® Sleevings are a great cover for electrical lines. The Sleevings remain flexible and won't lose strength in temperatures up to 1800°F. ARMORWELD® Sleevings will provide limited protection to excursion of 3100°F.

Style UB Standard Sleevings	Wall Thickness (in.)	Roll Length (ft)	Inside Diameter (in.)
UB1-64	0.008	100	1/64
UB1/32	0.010	100	1/32
UB1/16	0.028	100	1/16
UB1/8	0.035	100	1/8
UB3/16	0.035	100	3/16
UB1/4	0.035	100	1/4
UB5/16	0.035	100	5/16
UB3/8	0.035	100	3/8
UB1/2	0.035	50	1/2
UB5/8	0.035	50	5/8
UB 3/4	0.035	50	3/4
UB 1	0.035	50	1
UB 1 1/2	0.035	50	1 1/2
UB 2	0.035	50	2
UB2 1/2	0.035	50	2 1/2
UB3	0.035	50	3

Style HWS Heavy Wall Sleevings	Wall Thickness (in.)	Roll Length (ft)	Inside Diameter (in.)
HWS 3/8	0.065	50	3/8
HWS 1/2	0.065	50	1/2
HWS3/4	0.065	50	3/4
HWS1	0.065	50	1
HWS1 1/2	0.065	50	1 1/2
HWS 2	0.065	50	2
HWS3	.065	50	3
HWS4	.065	25	4
HWS5	.065	25	5
HWS6	.065	25	6
HWS7	.065	25	7
