

## ARMORWELD® PRODUCT PART NUMBER UT, ST, and STA Series Tapes Silica Woven & Slit Tape

### PRODUCT DATA SHEET

#### ST, STA & UT TAPES:

ARMORWELD® TAPES are available in three styles. ARMORWELD® Slit Tape Style ST is manufactured from ARMORWELD® 18S or 36S cloth. Slit tape makes a great pipe wrap or furnace curtain. ARMORWELD® Style STA is the same as ST with the addition of a pressure sensitive adhesive on one side to assist in the application as a pipe wrap.

ARMORWELD® Woven Tapes (style UT) also uses silica technology, but are woven on a small loom to create a finished edge. Woven Tapes are thicker than slit tapes for increased insulation properties. There is an ARMORWELD® TAPE for most every application.

Style ST Slit Tape Non-Adhesive Backed	Tape Thickness (in.)	Tape Width (in.)	Roll Length (ft.)
18ST-2	0.03	2	150
18ST-4	0.03	4	150
36ST-2	0.06	2	150
36ST-4	0.06	4	150
Style STA Slit Tape W/ Adhesive Back			
18STA-2	0.03	2	150
18STA-4	0.03	4	150
36STA-2	0.06	2	150
36STA-4	0.06	4	150

Style UT Woven Tapes	Tape Thickness (in.)	Tape Width (in.)	Roll Length (ft.)
UT-100-41	0.06	1	100
UT-100-41.5	0.06	1.5	100
UT-100-42	0.06	2	100
UT-100-43	0.06	3	100
UT-100-44	0.06	4	100
UT-100-46	0.06	6	100
UT-100-48	0.06	8	100
UT-100-81	0.125	1	50
UT-100-81.5	0.125	1.5	50
UT-100-82	0.125	2	50
UT-100-83	0.125	3	50
UT-100-84	0.125	4	50
UT-100-86	0.125	6	50
UT-100-88	0.125	8	50
UT100-161-1	0.250	1	50
UT-100-161.5	0.250	1.5	50
UT-100-162	0.250	2	50
UT-100-163	0.250	3	50
UT-100-164	0.250	4	50
UT-100-166	0.250	6	50
